

# Allergen Guide

This is a commercial kitchen that uses all the products that are or contain the allergens in this guide. As such food may contain any allergen. **Anyone with any allergy, please inform a manager.** This guide provides information about the specific ingredients in a dish and people with severe allergies should exercise judgement before consuming food. Please note the items are prepared in some instances in the same equipment and due to the nature of the product can not be done differently (fryer) Should you require any additional information please speak to a member of staff - Thank you

**Staff Note : All ingredients need checking to ensure the supplier has not changed their recipe**
